

UNLOCK MICHIGAN

The Sequel

Dear Patriot:

Governor Gretchen Whitmer shut down Michigan with a vengeance.

Whitmer and her bureaucrats ruled by decree, telling you...

...where you could shop

...what you could buy

...who you could have dinner with

...IF you could worship

...with our kids wearing masks while playing soccer!

The Unlock Michigan Army of patriots fought back, collecting hundreds of thousands of signatures to repeal the law Whitmer abused. You're one of the 540,000 citizens who signed the petition.

But even after the Michigan Supreme Court put the hammer down on Whitmer's abuses, she continued her autocratic rule, this time abusing the public health code to micromanage your life, with no accountability.

So now we're fighting back AGAIN, with a petition drive to amend the public health law to prevent Whitmer -- or any other Governor -- from assuming dictatorial powers in the future.

WE'RE SHUTTING DOWN THE SHUTDOWNS -- FOR GOOD!

PLEASE:

1. Take a minute right now to read over the instructions on the back of this sheet.
2. Sign the petition as the instructions indicate, and get others in your household and neighborhood to join you.
3. Sign the Certificate of Circulator at the bottom of the petition as the instructions show.

AND IF YOU CAN:

4. Include a contribution to help us fund this fight against Whitmer's autocratic governorship. If you could afford as much as \$250, that would be amazing. But if you could chip in as little as \$25, \$10, or even \$5 that could help put us over the top in signature collection!

THEN:

5. Mail the petition and your contribution back in the enclosed envelope as soon as you can.

Together we can shut down the Whitmer shutdowns for good. Welcome to Unlock Michigan -- The Sequel! Let's get it done!

Thanks for joining the fight to SHUT DOWN THE SHUTDOWNS FOR GOOD. You're the key to winning the battle, and to make every single signature count, it's important for you to follow the following instructions.

- 1** As the circulator, you must write in the COUNTY NAME at the top of each petition form. All of the signers of this petition sheet must be registered voters of that county. You can circulate petitions for any county, but each county must be on a different sheet.
- 2** The signer must sign their full name as they are registered to vote, and then write it in neatly in the next box.
- 3** The signer must write in the house number and street name, or rural route, where they live. No PO Boxes, please.
- 4** The signer must write in the City or Township where they are registered to vote. Villages and unincorporated areas are always within townships.
- 5** The signer next writes in their zip code.
- 6** Finally, the signer must write in the date they signed the petition, not their birth date.
- 7** After the circulator has gathered signatures, they must complete the Circulator section in the lower right of each petition form. No signatures can be added to the petition form after this portion has been completed and dated.

To wrap up the petition:

- Make certain that all sections have been completed.
- Ditto marks are not acceptable.
- Petition forms are acceptable with at least one, but no more than 10 signatures.
- Yes, you can both sign and circulate a petition form.
- When completed, return to us in the enclosed envelope.

Questions? Or need more petitions? Go to UnlockMichigan.com!

If the petition circulator does not comply with all of the requirements of the Michigan election law for petition circulators, any signature obtained by that petition circulator on that petition is invalid and will not be counted.

INITIATION OF LEGISLATION

An initiation of legislation to amend Sections 2253 and 2453 of the Public Health Code, Public Act 368 of 1978, MCL 333.2253 and MCL 333.2453. The current Act authorizes the director of the department of health and human services and local health officers to determine that control of an infectious disease outbreak is necessary to protect the public health and issue emergency orders. This proposal would require determinations be in writing and that any emergency order expire after 28 days unless the state legislature or a local governing body extends it.
